COMPANY OVERVIEW

Building the Rightway, Every Day.

Rightway Construction, Inc. is a family owned construction business that has been in operation since its inception in 1972. We are headquartered in Chicago, Illinois. We are committed to building it the Rightway every time. We exceed our customers expectations and always put safety first. We always rise to any construction project challenge, and always deliver on time and under budget. We work closely with our customers to look for ways to provide them with solutions.

RCI employs a full time professional management team of 30 project managers, ~120+ Local No. 9 union electricians, and ~30 union employees from various other trades (laborers, operators, masons, and carpenters). RCI's field employees are led by a management team of ten construction managers with a combined total of over 200 years of experience. RCI is signatory with a variety of local unions including IBEW Local No. 9, IBEW Local No. 134, Laborers Local No. 2, and Operators Local No. 150. Our partnerships with local unions are excellent, which allows RCI to add labor capacity quickly. RCI's fleet is comprised of over 300 pieces and has a book value of over \$15 million.

RCI has an extensive customer list. Some of our clients over the past five years include: Nicor Gas, Crown Castle, T-Mobile, SAC Wireless, MasTec, Mobilite, AT&T-Mobility, AT&T-Wireline, Bechtel, Ericsson, Extenet, Leducor, Level(3), Zayo, Chicago Department of Transportation (CDOT), Illinois Department of Transportation, Illinois State Toll Highway Authority, and numerous private customers throughout Chicagoland. RCI is also prequalified with several City of Chicago and private/public agencies that do business in the City, including: Chicago Transit Authority, Chicago Park District, Public Building Commission of Chicago, Metra, Amtrak, and the Metropolitan Pier and Exposition Authority (McCormick Place and Navy Pier).
